

Codebook: Oregon Health Insurance Experiment, Six Month Mail Survey

This codebook lists all of the variables publicly available from the Six Month Mail Survey conducted by the Oregon Health Insurance Experiment. The codebook has two sections. In the first section, variable name, label, and number of non-missing values are given. Where applicable, the text of the survey question and/or notes on variable construction are given immediately following the variable. In the second section, variable name, label, and any relevant survey question text are given along with descriptive statistics.

#	Variable Name	Variable Label	Non-missing
1	person_id	Scrambled individual identifier	74922
2	sample_6m	Six month mail survey sample (individual was mailed a six month survey)	74922
3	wave_survey6m	Survey mailing wave for 6m survey	58811
4	dt_mail_6m	Date of first survey mailing 6m	13024
5	returned_6m	Returned survey -- Six-month	13024
6	dt_returned_6m	Survey return date -- Six-month	6359
7	ret_mode_6m	Method of survey return -- Six-month	6359
8	surv_lang_6m	Survey language -- 6m	6359
9	in_survey_6m	Has 6m survey data	58405
10	weight_6m	Adjusted pr weight for 6 month sample	11756
11	ins_any_6m	Currently have any type of insurance	6249
The variable is derived from the responses to Question 1. It is equal to 1 if the individual indicated that he or she has health insurance through any of the following: Oregon Health Plan (OHP)/Medicaid, Medicare, Employer or family member's employers, a private plan, or other coverage.			
12	ins_ohp_6m	Currently have OHP insurance	6249
Q1. Do you currently have health insurance through any of the following? Answered: Oregon Health Plan (OHP)/Medicaid			

13	ins_medicare_6m	Currently have Medicare	6359
Q1. Do you currently have health insurance through any of the following? Answered: Medicare			
14	ins_employer_6m	Currently have employer health plan	6359
Q1. Do you currently have health insurance through any of the following? Answered: Employer or family member's employer			
15	ins_privpay_6m	Currently have private insurance	6359
Q1. Do you currently have health insurance through any of the following? Answered: A private plan I pay for myself			
16	ins_othcov_6m	Currently have other insurance coverage	6359
Q1. Do you currently have health insurance through any of the following? Answered: Other coverage: _____			
17	ins_noins_6m	Currently have no insurance	6359
Q1. Do you currently have health insurance through any of the following? Answered: I don't have any insurance now			
18	ins_months_6m	For how many of the last 6 months did you have insurance?	6293
Q2. For how many of the last 6 months did you have some kind of health insurance? - No insurance during last 6 months - 1 Month - 2 Months - 3 Months - 4 Months - 5 Months - Insured for all of the last 6 months			
19	usual_place_6m	Have usual place of care	6238
Q3. Is there a place you usually go to receive medical care? Yes/No			
20	usual_care_6m	Usual place for medical care	4139
Q4. Where do you usually go to receive medical care? Mark only one. - A private doctor's office or clinic - A public health clinic, community health center, or tribal clinic - A hospital-based clinic - A hospital emergency room - An urgent care clinic - Some other place not listed here; Where? _____ - I don't have a usual place			
21	usual_clinic_6m	Usual place of care is clinic	5792
This variable takes a value of 1 if, in response to Question 4, the individual indicated any of the following options: private doctor's office or clinic, public health clinic or hospital-based clinic.			

22	usual_doc_6m	Have personal doctor	6292
Q5. Do you have one person you think of as your personal doctor or health care provider? Yes/No			
23	need_med_6m	Needed medical care in the last six months	6288
Q6. Was there a time in the last 6 months when you needed medical care? Yes/No			
24	needmet_qn_med_6m	Got all needed medical care, last six months, original question	4848
Q7. If you needed medical care in the last 6 months, did you get all the care you needed?			
- Yes			
- No			
- I didn't need care in the last 6 months			
25	needmet_med_6m	Got all needed medical care in last six months, if care needed	6086
This variable is derived from Questions 6 and 7. It is equal to one if an individual got all needed medical care or didn't need care.			
26	reason_care_cost_6m	Went without care (most recent): cost too much	2612
Q8. The most recent time you went without needed medical care, what were the main reasons?			
Answered: It cost too much			
27	reason_care_ins_6m	Went without care (most recent): no insurance	2612
Q8. The most recent time you went without needed medical care, what were the main reasons?			
Answered: I didn't have insurance			
28	reason_care_doc_6m	Went without care (most recent): doc wouldn't take insurance	2612
Q8. The most recent time you went without needed medical care, what were the main reasons?			
Answered: The doctor wouldn't take my insurance			
29	reason_care_owe_6m	Went without care (most recent): owed money to provider	2612
Q8. The most recent time you went without needed medical care, what were the main reasons?			
Answered: I owed money to the care provider			
30	reason_care_appt_6m	Went without care (most recent): couldn't get an appointment	2612
Q8. The most recent time you went without needed medical care, what were the main reasons?			
Answered: I couldn't get an appointment quickly enough			
31	reason_care_closed_6m	Went without care (most recent): office wasn't open	2612
Q8. The most recent time you went without needed medical care, what were the main reasons?			
Answered: The office wasn't open when I could get there			
32	reason_care_nodoc_6m	Went without care (most recent): didn't have a doctor	2612
Q8. The most recent time you went without needed medical care, what were the main reasons?			
Answered: I didn't have a doctor			
33	reason_care_other_6m	Went without care (most recent): Other	2612
Q8. The most recent time you went without needed medical care, what were the main reasons?			
Answered: Some other reason: _____			

34	reason_care_dont_6m	Went without care (most recent): don't know	2612
----	---------------------	---	------

Q8. The most recent time you went without needed medical care, what were the main reasons?

Answered: I don't know

35	need_rx_6m	Needed prescription medications in the last six months	6276
----	------------	--	------

Q9. Was there a time in the last 6 months when you needed prescription medication? Yes/No

36	needmet_qn_rx_6m	Got all needed prescriptions, last six months, original question	4798
----	------------------	--	------

Q10. If you needed prescription medications in the last 6 months, did you get all the medications you needed?

- Yes

- No

- I didn't need medications in the last 6 months

37	needmet_rx_6m	Got all needed prescriptions in last six months, if prescriptions needed	6122
----	---------------	--	------

This variable is derived from Questions 9 and 10. It is equal to 1 if the person got all needed prescription medications or didn't need prescription medications.

38	reason_rx_cost_6m	Went without prescription medication (most recent): cost too much	1960
----	-------------------	---	------

Q11. The most recent time you went without prescription medications you needed, what were the main reasons?

Answered: They cost too much

39	reason_rx_ins_6m	Went without prescription medication (most recent): no insurance	1960
----	------------------	--	------

Q11. The most recent time you went without prescription medications you needed, what were the main reasons?

Answered: I didn't have insurance

40	reason_rx_doc_6m	Went without prescription medication (most recent): didn't have doctor	1960
----	------------------	--	------

Q11. The most recent time you went without prescription medications you needed, what were the main reasons?

Answered: I didn't have a doctor

41	reason_rx_get_6m	Went without prescription medication (most recent): couldn't get prescription	1960
----	------------------	---	------

Q11. The most recent time you went without prescription medications you needed, what were the main reasons?

Answered: I couldn't get a prescription

42	reason_rx_pharm_6m	Went without prescription medication (most recent): couldn't get to pharmacy	1960
----	--------------------	--	------

Q11. The most recent time you went without prescription medications you needed, what were the main reasons?

Answered: I couldn't get to the pharmacy

43	reason_rx_other_6m	Went without prescription medication (most recent): Other	1960
----	--------------------	---	------

Q11. The most recent time you went without prescription medications you needed, what were the main reasons?

Answered: Some other reason: _____

44	reason_rx_dont_6m	Went without prescription medication (most recent): don't know reason	1960
----	-------------------	---	------

Q11. The most recent time you went without prescription medications you needed, what were the main reasons?

Answered: I don't know

45	rx_any_6m	Currently taking any prescription medications	5855
----	-----------	---	------

This variable takes a value of 1 if the respondent answered Question 12 with a number greater than 0.

46	rx_num_mod_6m	Number of prescription meds currently taking, truncated at 2*99th percentile	5852
----	---------------	--	------

Q12. How many different prescription medications are you currently taking? _____

This variable was truncated at 2* the 99th percentile.

47	need_dent_6m	Needed dental care in the last six months	6269
----	--------------	---	------

Q13. Was there a time in the last 6 months when you needed dental care?

- Yes

- No

48	needmet_qn_dent_6m	Got all needed dental care, last six months, original question	4733
----	--------------------	--	------

Q14. If you needed dental care in the last 6 months, did you get all the care you needed?

- Yes

- No

- I didn't need dental care in the last six months

49	needmet_dent_6m	Got all needed dental care in last six months, if dental care needed	6174
----	-----------------	--	------

This variable is derived from Questions 13 and 14. It is equal to one if an individual got all needed dental care or didn't need dental care.

50	doc_any_6m	Any primary care visits	6285
----	------------	-------------------------	------

This variable is equal to one if the individual gave a nonzero answer to Question 15.

51	doc_num_mod_6m	Num prim. care visits, values corrected (see User Guide) and truncated at 2*99th	6269
<p>Q15. In the last 6 months, how many times did you go to a doctor's office, clinic, or other health care provider to get care for yourself? Don't include hospital and emergency room visits or dental care. Your best estimate is fine.</p> <ul style="list-style-type: none"> - None - 1 time - 2 times - 3 or more times (how many?: _____) <p>This variable was truncated at 2* the 99th percentile. In cases where "3 or more" was indicated, but the number written in the space provided was less than 3, this variable was recoded to 3.</p>			
52	er_any_6m	Any ER visits	6287
<p>This variable is equal to one if the individual gave a non-zero answer to Question 15.</p>			
53	er_num_mod_6m	Num of ER visits, values corrected (see User Guide) and truncated at 2*99th%ile	6276
<p>Q16. In the last 6 months, how many times did you go to an emergency room to get care for yourself? Your best estimate is fine.</p> <ul style="list-style-type: none"> - None - 1 time - 2 times - 3 or more times (how many?: _____) <p>This variable was truncated at 2*the 99th percentile.</p> <p>In cases where "3 or more" was indicated, but the number written in the space provided was less than 3, this variable was recoded to 3.</p>			
54	er_noner_6m	Used ER for non-ER care	6296
<p>This variable is derived from the answers to Question 17: it takes a value of 1 if an individual indicated that he or she visited the emergency room for reasons <u>other than</u> "I needed emergency care" or "I don't know".</p>			
55	reason_er_need_6m	Went to ER (reason): needed emergency care	543
<p>Q17. The most recent time you went to the emergency room, what was the reason you went there instead of somewhere else for health care?</p> <p>Answered: I needed emergency care</p>			
56	reason_er_insure_6m	Went to ER (reason): didn't have insurance	543
<p>Q17. The most recent time you went to the emergency room, what was the reason you went there instead of somewhere else for health care?</p> <p>Answered: I didn't have insurance</p>			

57	reason_er_closed_6m	Went to ER (reason): clinics closed	543
----	---------------------	-------------------------------------	-----

Q17. The most recent time you went to the emergency room, what was the reason you went there instead of somewhere else for health care?

Answered: Doctors' offices/clinics were closed

58	reason_er_appt_6m	Went to ER (reason): couldn't get doctor's appointment	543
----	-------------------	--	-----

Q17. The most recent time you went to the emergency room, what was the reason you went there instead of somewhere else for health care?

Answered: I couldn't get an appointment to see a regular doctor soon enough

59	reason_er_doc_6m	Went to ER (reason): didn't have personal doctor	543
----	------------------	--	-----

Q17. The most recent time you went to the emergency room, what was the reason you went there instead of somewhere else for health care?

Answered: I didn't have a personal doctor

60	reason_er_copay_6m	Went to ER (reason): couldn't afford copay to see a doctor	543
----	--------------------	--	-----

Q17. The most recent time you went to the emergency room, what was the reason you went there instead of somewhere else for health care?

Answered: I couldn't afford the copay to see a doctor

61	reason_er_go_6m	Went to ER (reason): didn't know where else to go	543
----	-----------------	---	-----

Q17. The most recent time you went to the emergency room, what was the reason you went there instead of somewhere else for health care?

Answered: I didn't know where else to go

62	reason_er_other_6m	Went to ER (reason): other reason	543
----	--------------------	-----------------------------------	-----

Q17. The most recent time you went to the emergency room, what was the reason you went there instead of somewhere else for health care?

Answered: Some other reason: _____

63	reason_er_rx_6m	Went to ER (reason): needed prescription drug	543
----	-----------------	---	-----

Q17. The most recent time you went to the emergency room, what was the reason you went there instead of somewhere else for health care?

Answered: I needed a prescription drug

64	reason_er_dont_6m	Went to ER (reason): don't know	543
----	-------------------	---------------------------------	-----

Q17. The most recent time you went to the emergency room, what was the reason you went there instead of somewhere else for health care?

Answered: I don't know

65	hosp_any_6m	Any hospital visits	6285
----	-------------	---------------------	------

This variable takes a value of 1 if the individual gave a non-zero answer to Question 18.

66	hosp_num_mod_6m	Number hospital visits, values corrected (see User Guide) and truncated at 2*99t	6281
----	-----------------	--	------

Q18. In the last 6 months, how many different times were you a patient in a hospital at least overnight? Do not include hospital stays to deliver a baby.

- None
- 1 time
- 2 times
- 3 or more times (how many?: _____)

This variable was truncated at 2* the 99th percentile. In cases where "3 or more" was indicated, but the number written in the space provided was less than 3, this variable was recoded to 3.

67	total_hosp_6m	Total days spent in hospital, last 6 months	993
----	---------------	---	-----

Q19. In the last 6 months, how many days did you spend in a hospital? *Include the total number of days for all the times you checked in question 18, above. Your best estimate is fine.*

68	med_qual_6m	Quality of medical care recieved in past 6 months	6235
----	-------------	---	------

Q20. Overall, how would you rate the quality of the medical care you've received in the last 6 months?

- Excellent
- Very Good
- Good
- Fair
- Poor
- I didn't receive medical care in the last 6 months

69	cost_any_oop_6m	Any out of pocket costs for medical care in the past 6 months	6286
----	-----------------	---	------

Q21. In the last 6 months, have you paid any out of pocket medical expenses for yourself? (Out of pocket costs are costs you pay yourself. Do not include dental costs.)

70	cost_doc_oop_6m	Out of pocket costs for doctors visits, clinics or health centers, past 6 months	5338
----	-----------------	--	------

Q22. In the last 6 months, about how much money did you spend out of pocket on each of the following types of medical care for yourself? Do not include dental costs. Out of pocket costs are costs you have already paid yourself. Your best estimate is fine.

Visits to doctors' offices, clinics or health centers..... \$_____

71	cost_er_oop_6m	Out of pocket costs for emergency room or overnight hospital care, past 6 months	4505
----	----------------	--	------

Q22. In the last 6 months, about how much money did you spend out of pocket on each of the following types of medical care for yourself? Do not include dental costs. Out of pocket costs are costs you have already paid yourself. Your best estimate is fine.

Emergency rooms or overnight hospital care \$_____

72	cost_rx_oop_6m	Out of pocket costs for prescription medicine, past 6 months	5367
----	----------------	--	------

Q22. In the last 6 months, about how much money did you spend out of pocket on each of the following types of medical care for yourself? Do not include dental costs. Out of pocket costs are costs you have already paid yourself. Your best estimate is fine.

Prescription medicines (don't include medicines you can buy without a prescription) ... \$ _____

73	cost_oth_oop_6m	Out of pocket costs for other medical care, past 6 months	4250
----	-----------------	---	------

Q22. In the last 6 months, about how much money did you spend out of pocket on each of the following types of medical care for yourself? Do not include dental costs. Out of pocket costs are costs you have already paid yourself. Your best estimate is fine.

Other medical care not covered above..... \$ _____

74	cost_tot_oop_6m	Total out of pocket costs for medical care, last 6 months	5975
----	-----------------	---	------

This variable was calculated by adding all non-missing amounts that the respondent reported spending on medical care in Question 22 (on visits to doctors' offices, visits to emergency rooms, prescription medicines, and other expenses).

75	cost_any_owe_6m	Currently owe money for medical expenses	6291
----	-----------------	--	------

Q23. Do you currently owe money to a health care provider, credit card company, or anyone else for medical expenses?

- No

- Yes; If yes, about how much do you owe? _____

This is a binary variable equal to one if a respondent indicated that he or she owed money for medical expenses.

76	cost_tot_owe_6m	Total amount currently owed for medical expenses	5379
----	-----------------	--	------

Q23. Do you currently owe money to a health care provider, credit card company, or anyone else for medical expenses?

- No

- Yes; If yes, about how much do you owe? _____

This variable captures the amount of money that the respondent indicated he or she owed for medical expenses.

77	cost_borrow_6m	Borrowed money/skipped bills to pay health care bills in last 6 months?	6276
----	----------------	---	------

Q24. In the last 6 months, have you had to borrow money, skip paying other bills, or pay other bills late in order to pay health care bills? No/Yes

78	cost_refused_6m	Have you been refused care because you owed money for a past treatment?	5989
----	-----------------	---	------

Q25. In the last 6 months, has a doctor, clinic, or medical service refused to treat you because you owed money to them for past treatment?

- Yes
- No
- I don't know

79	happiness_6m	Current overall happiness	6284
----	--------------	---------------------------	------

Q26. Taken all together, how would you say things are these days - would you say that you are very happy, pretty happy, or not too happy?

- Very happy
- Pretty happy
- Not too happy

80	health_gen_6m	Overall health	6239
----	---------------	----------------	------

Q27. In general, would you say your health is:

- Excellent
- Very Good
- Good
- Fair
- Poor

81	health_gen_bin_6m	Overall health (bins)	6239
----	-------------------	-----------------------	------

This variable was generated from the responses to Question 27: it takes a value of 0 if the respondent indicated that his or her health was excellent, very good, or good, and takes a value of 1 if it was indicated that health was fair or poor.

82	health_chg_6m	How has your health changed: past 6 months	6283
----	---------------	--	------

Q28. How has your health changed in the last 6 months?

- My health has gotten better
- My health is about the same
- My health has gotten worse

83	health_chg_bin_6m	How has your health changed: past 6 months (bins)	6283
----	-------------------	---	------

This variable was generated from the responses to Question 28: it takes a value of 1 if the respondent indicated his or her health had gotten worse, and 0 if the respondent indicated that his or her health had stayed the same or gotten better.

84	baddays_phys_6m	Number of days (out of past 30) when physical health not good	5701
----	-----------------	---	------

Q29. Thinking about your physical health, which includes physical illness and injury, for how many days during the past 30 days was your physical health not good?

Total number of days (0-30): _____

85	baddays_ment_6m	Number of days (out of past 30) when mental health not good	5714
----	-----------------	---	------

Q30. Now thinking about your mental health, which includes stress, depression, and problems with emotions, for how many days during the past 30 days was your mental health not good?

Total number of days (0-30): _____

86	baddays_tot_6m	Number of days (out of past 30) when poor health impaired regular activities	5786
----	----------------	--	------

Q31. During the past 30 days, for about how many days did poor physical or mental health keep you from doing your usual activities, such as self-care, work, or recreation?

Total number of days (0-30): _____

87	dep_sad_6m	How often have you felt down, depressed, hopeless (past 2 weeks)	6243
----	------------	--	------

Q32. Over the past 2 weeks, how often have you been bothered by feeling down, depressed, or hopeless?

- Not at all
- Several days
- More than half the days
- Nearly every day

Note that two different questions on the survey were numbered "Question 32"

88	dep_interest_6m	How often have you been disinterested in doing things (past 2 weeks)	6234
----	-----------------	--	------

Q32. Over the past 2 weeks, how often have you been bothered by little interest or pleasure in doing things?

- Not at all
- Several days
- More than half the days
- Nearly every day

Note that two different questions on the survey were numbered "Question 32"

89	dia_dx_6m	Ever been told by a health professional that you have: Diabetes	6359
----	-----------	---	------

Q34. Have you ever been told by a doctor or other health professional that you have any of the following?
Answered: Diabetes or Sugar Diabetes

90	ast_dx_6m	Ever been told by a health professional that you have: Asthma	6359
----	-----------	---	------

Q34. Have you ever been told by a doctor or other health professional that you have any of the following?
Answered: Asthma

91	hbp_dx_6m	Ever been told by a health professional that you have: High blood pressure	6359
----	-----------	--	------

Q34. Have you ever been told by a doctor or other health professional that you have any of the following?
Answered: High Blood Pressure

92	emp_dx_6m	Ever been told by a health professional that you have: COPD	6359
----	-----------	---	------

Q34. Have you ever been told by a doctor or other health professional that you have any of the following?
Answered: Emphysema or Chronic Bronchitis (COPD)

93	ami_dx_6m	Ever been told by a health professional that you have: Angina/heart attack	6359
----	-----------	---	------

Q34. Have you ever been told by a doctor or other health professional that you have any of the following?
Answered: Heart Disease, Angina, or Heart Attack

94	chf_dx_6m	Ever been told by a health professional that you have: Congestive Heart Failure	6359
----	-----------	--	------

Q34. Have you ever been told by a doctor or other health professional that you have any of the following?
Answered: Congestive Heart Failure

95	dep_dx_6m	Ever been told by a health professional that you have: Depression or Anxiety	6359
----	-----------	---	------

Q34. Have you ever been told by a doctor or other health professional that you have any of the following?
Answered: Depression or Anxiety

96	chl_dx_6m	Ever been told by a health professional that you have: High Cholesterol	6359
----	-----------	--	------

Q34. Have you ever been told by a doctor or other health professional that you have any of the following?
Answered: High Cholesterol

97	kid_dx_6m	Ever been told by a health professional that you have: Kidney Problems	6359
----	-----------	---	------

Q34. Have you ever been told by a doctor or other health professional that you have any of the following?
Answered: Kidney Problems

98	dia_rx_6m	Last six months, have you taken medication for: Diabetes	6359
----	-----------	--	------

Q35. In the last 6 months, have you taken medication for any of the following?
Answered: Diabetes or Sugar Diabetes

99	ast_rx_6m	Last six months, have you taken medication for: Asthma	6359
----	-----------	--	------

Q35. In the last 6 months, have you taken medication for any of the following?
Answered: Asthma

100	hbp_rx_6m	Last six months, have you taken medication for: High blood pressure	6359
-----	-----------	--	------

Q35. In the last 6 months, have you taken medication for any of the following?
Answered: High Blood Pressure

101	emp_rx_6m	Last six months, have you taken medication for: COPD	6359
-----	-----------	--	------

Q35. In the last 6 months, have you taken medication for any of the following?
Answered: Emphysema or Chronic Bronchitis (COPD)

102	ami_rx_6m	Last six months, have you taken medication for: Angina/heart attack	6359
Q35. In the last 6 months, have you taken medication for any of the following? Answered: Heart Disease, Angina, or Heart Attack.....Yes/No			
103	chf_rx_6m	Last six months, have you taken medication for: Congestive Heart Failure	6359
Q35. In the last 6 months, have you taken medication for any of the following? Answered: Congestive Heart Failure			
104	dep_rx_6m	Last six months, have you taken medication for: Depression or Anxiety	6359
Q35. In the last 6 months, have you taken medication for any of the following? Answered: Depression or Anxiety			
105	chl_rx_6m	Last six months, have you taken medication for: High Cholesterol	6359
Q35. In the last 6 months, have you taken medication for any of the following? Answered: High Cholesterol			
106	kid_rx_6m	Last six months, have you taken medication for: Kidney Problems	6359
Q35. In the last 6 months, have you taken medication for any of the following? Answered: Kidney Problems			
107	smk_ever_6m	Have you smoked at least 100 cigarettes in your entire life?	6299
Q36. Have you smoked at least 100 cigarettes in your entire life? Yes/No			
108	smk_curr_6m	Do you currently smoke cigarettes?	6103
Q37. Do you now smoke cigarettes every day, some days, or not at all? - Every day - Some days - Not at all			
109	smk_avg_mod_6m	Average number of cigarettes smoked per day, truncated at 2*99th%ile	5196
Q38. On average, how many cigarettes do you now smoke a day? _____			
110	female_6m	Female: 6m survey	6327
Q39. Are you male or female? - Male - Female			
111	birthyear_6m	Birth year: 6m survey	6175
Q40. What is the YEAR of your birth? _____			

112	employ_hrs_6m	Average hrs worked/week	6280
Q42. About how many hours per week, on average, do you work at your current job(s)?			
- Less than 20 hours per week			
- 20-29 hours per week			
- 30 or more hours per week			
- I don't currently work			
113	employ_det_6m	Currently employed or self-employed	6224
Q41. Are you currently employed or self employed? Mark only one.			
- Yes, employed			
- Yes, self-employed			
- Not currently employed			
- Retired			
114	employ_6m	Currently employed	6224
This variable is equal to 1 if the respondent indicated that he or she was employed or self employed in response to Question 41.			
115	hhinc_cat_6m	Household income category	6109
Q43. What was your gross household income (before taxes and deductions are taken out) for last year (2008)? Please include any cash assistance or unemployment you may have received. Your best estimate is fine.			
116	race_hisp_6m	Self-identify as Spanish, Hispanic or Latino?	6241
Q44. Would you describe yourself as Spanish, Hispanic, or Latino? Yes/No			
117	race_white_6m	Self-identify as: white	6359
Q45. How would you describe your race?			
Answered: White			
118	race_black_6m	Self-identify as: black	6358
Q45. How would you describe your race?			
Answered: Black or African-American			
119	race_amerindian_6m	Self-identify as: American Indian or Alaska Native	6359
Q45. How would you describe your race?			
Answered: American Indian or Alaska Native			
120	race_asian_6m	Self-identify as: asian	6359
Q45. How would you describe your race?			
Answered: Asian			
121	race_pacific_6m	Self-identify as: native hawaiian or pacific islander	6358
Q45. How would you describe your race?			
Answered: Native Hawaiian or Pacific Islander			

122	race_other_qn_6m	Self-identify as: other race	6359
Q45. How would you describe your race? Answered: Other: _____			
123	edu_6m	Highest level of education completed	6060
Q46. What is the highest level of education you have completed? - Less than high school - High school diploma or GED - Vocational training or 2-year degree - A 4-year college degree or more			
124	live_partner_6m	Live with partner	6359
Q47. What is your current living arrangement? Answered: Live with partner or spouse			
125	live_alone_6m	Live alone	6359
Q47. What is your current living arrangement? Answered: Live alone			
126	live_parents_6m	Live with parents	6359
Q47. What is your current living arrangement? Answered: Live with parents			
127	live_relatives_6m	Live with other relatives (non-spouse/partner, non-parents) including children	6359
Q47. What is your current living arrangement? Answered: Live with other relatives (including children)			
128	live_friends_6m	Live with friends or roommates	6359
Q47. What is your current living arrangement? Answered: Live with friends or roommates			
129	live_other_6m	Other living arrangement	6358
Q47. What is your current living arrangement? Answered: Other: _____			
130	hhsiz_6m	Household Size (adults and children)	6092
Q48. How many family members, including yourself, counting adults and children, are living in your home? (For example, if you live alone, you should write "1".) Size of household: _____			
131	hhinc_pctfpl_6m	Household income as percent of federal poverty line	5792
This variable was derived: the midpoint of the income bin indicated in Question 43 was calculated as a percent of the federal poverty line using the 2009 Health and Human Service poverty guidelines (available at http://aspe.hhs.gov/poverty/09poverty.shtml). The top income bin (\$50,000 or more) was assigned a midpoint of \$50,001. Household size that determined poverty guidelines was taken from Question 48.			

132	num19_6m	Number of family members under 19 living in house	6141
-----	----------	---	------

Q49. Of the family members living in your house, how many are under 19?

Number under 19: _____

133	num19_hi_6m	Number of family members under age 19 living in house: insurance status	4001
-----	-------------	--	------

Q50. Thinking about the family members in your house under 19 years of age, how many are currently covered by some kind of health insurance?

- All family members under 19 are covered by health insurance of some kind
- Some family members under 19 are insured, some are not
- None of the family members under 19 are insured
